Please let me know at the time of booking your appointment if you have any allergies or reactions to essential oils. I regularly use Grapeseed or Nut based carrier oils to massage with.

Potential Contraindications to Therapies.

It is your responsibility to consult with your GP before any massage treatment if you take prescribed medications or are living with on-going health issues, to gain their medical opinion upon you receiving a treatment.

Disclaimer:

I have not withheld any information about my health which could cause a reaction to either the massage, aromatherapy oils, or raised body temperature via a hot stones massage.

I agree to keeping my therapist updated on any medical changes.

I understand that a massage is not being offered as a substitute for medical examination and treatment.

I am aware that my body may experience some minor reactions such as mild tenderness after a treatment as it adjusts and repairs.
